

## **Dr. Gustavo Jiménez Muñoz Ledo**

Plastic, Aesthetic, and Reconstructive Surgeon  
**Phi Aesthetics Clinic**

## **Professional Overview**

Dr. Gustavo Jiménez Muñoz Ledo is a highly accomplished and board-certified plastic surgeon with extensive experience in aesthetic and reconstructive surgery. Certified by the Mexican Board of Plastic, Aesthetic, and Reconstructive Surgery (CMCPR), he has built a distinguished career in the fields of plastic and reconstructive surgery, with a focus on breast surgery, microsurgery, and body contouring.

As a leader in his field, he is an active member of major international and national surgical organizations, including the International Society of Aesthetic Plastic Surgery (ISAPS), the Ibero-Latin American Federation of Plastic Surgery (FILACP), and the Mexican Association of Plastic, Aesthetic, and Reconstructive Surgery (AMCPR). He also serves as Assistant National Secretary for Mexico at ISAPS and is an editor for the Aesthetics Journal of ISAPS.

Dr. Jiménez is not only a practitioner but also a respected educator, serving as an adjunct professor at the University of Guanajuato and a contributor to several academic and clinical publications. Additionally, he is the president of the REBICAM Foundation, which provides altruistic breast reconstruction surgery for underserved patients.

## **Academic and Professional Training**

Dr. Jiménez Muñoz Ledo's academic and surgical training spans prestigious institutions both in Mexico and internationally. His foundational medical education includes:
